917587	2017	Peter Michael Winery Chardonnay La Carriere, Sonoma County, California	750	105.34

Rating 94-96 Points

"A barre sample (mainly from the Hyde clone), the 2017 Chardonnay la Carriere has a drop-dead gorgeous nose of dried apricots, warm pineapple, guava and pear tart with hints of candied ginger, honeycomb and orange blossoms. The palate is medium to full-bodied, rich and creamy with great freshness and some mineral accents coming through on the long finish."

918119	2017	Peter Michael "Le Caprice" Pinot Noir, Sonoma County, California	750	131.19
--------	------	--	-----	--------

The name 'Le Caprice', as in capricious, is an ode to the fickle nature of the Pinot Noir grape. Situated between 1,025 and 1,450 feet above sea level on steep mountain slopes, some exceeding fifty percent in grade, the vineyard faces East and North East. It benefits from both the cooling influence of the Pacific Ocean and the mild sunny mountain climate. To the eye, the 2017 Le Caprice offers a red ruby color with bright crimson highlights. The wine shows intense aromas of raspberry liqueur, red cherry and blackberry mixed with Russian leather, violet and graphite. The palate is expressive and delivers Griotte cherry, sandalwood, raspberry, wild strawberry, forest floor, hazelnut, and leather, with a background of raspberry liqueur. The texture is fresh, round, and mineral driven. The wine is already expressive and will continue to develop for at least a decade.

Cellar Selection

"This latest incarnation of the famous brand is a superb wine. It is on par with, maybe even better than, the already legendary 2002. Its balance is impeccable: apple and citrus flavors working with the tight minerality to give a textured yet fruit wine. Produced from Roederer's own vineyards which are mainly biodynamic, the wine has its own intense purity and crispness. It has amazing potential and is likely to age for many years. Drink from 2020."

"This juicy, full-bodied red features a licorice-tinged core of cherry tart and red currant flavors, with details of violet and mineral. Tangy elements linger into the moderately tannic finish. Drink now through 2025."
